To Shorthorn Breeders and Others Interested in Good Cattle

We extend to you a cordial invitation to be with us on April 20-21, 1920 at Huntertown, Ind., at which time and place we will offer what we believe to be the greatest lot of cattle, both as to breeding and quality, that has ever been offered at public auction by any state or local association in America. We feel that those who come seeking cattle to fill out a show herd or to add high class breeding stock to their herds will not be disappointed. Those wishing to start in the business can find here any number of richly bred (several imported) females as well as bulls suitable to head the best herds in the land.

The Allen County Calf Club members are disposing of their heifers. Come out and help the boys and girls; and in doing so you will help yourself as they are offering some of the best heifers ever sold by a calf club.

On the evening of April 20th, in connection with the Indiana State Shorthorn Breeders Association, we will entertain Shorthorn Breeders and others interested in better live stock, in the spacious banquet hall in the Wolf & Dessauer building, in Fort Wayne.

Our honored guest and principal speaker on this occasion will be Secretary Meredith of the United States Department of Agriculture. President Frank Scoville, Secretary Frank Harding, and Past President Reid Carpenter of the American Shorthorn Breeders Association will also address us. This occasion should not be overlooked.

Thanking you for your former patronage and hoping to merit a continuance of the same, we remain,

Yours for better cattle,

FORT WAYNE DISTRICT SHORTHORN BREEDERS ASSN.

D. W. McMillen, President.

Arthur Herriman, Secretary.

Chas. H. Hartung, Assistant Sale Manager.

TERMS AND CONDITIONS OF SALE

Each lot will be sold separately to the highest bidder, without reserve, if more than one bid is made for same. A cow with calf at foot is regarded as one lot.

The auctioneer selling will settle any dispute as to a bid, by declaring all bids off and reselling the lot in question.

Each lot will be at purchaser's risk as soon as sold, but will not be delivered until settlement has been made for same.

After being sold, the animals will be fed and cared for free of charge to the purchaser until shipment can be made.

A transfer certificate of registry in the American Shorthorn Herd Book will be furnished with each animal sold, with the exception of the young calves sold with dam, and there will be furnished with these a pedigree in the application form, ready for registry.

The terms of the sale will be cash, unless other arrangements are made with the owners thereof before the sale. Persons who may desire to pay for animals purchased, by personal check, will please bring letter of credit from their banker.

Service dates not given in this catalogue will be furnished day of sale.

GUARANTEE: We guarantee all bulls, except those that are allowed to run with the herd, to be breeders and all females over sixteen months of age to be breeders, if given reasonable care; provided, however, that in case any animal fails to breed within three months in the hands of the purchaser it be returned for further trial in as good condition as when purchased, shipping to be borne by purchaser. If it does not then prove to be a breeder within six months another animal of equal value will be sent to replace it, or the sale price will be refunded. Cows and heifers with calves by their side or five months gone in calf, are known breeders and no further guarantee is given. All cattle sold will have been recently tested for tuberculosis and sold subject to a sixty-day retest.

MAIL BIDS: Mail bids may be sent to the following representatives of the live stock press:

Geo. E. Martin of the Breeders Gazette.
